Term 1 Week 6

07/06/2016

Hey dancers/dance families! Welcome to another term and another dance year- we proudly celebrate our 5th year this year and are excited to have you join us ☺ It's great to reflect on the last four years and to see how far we have come as a business and dance family; we are so thankful for the people who have joined and believed in us- and that includes you! We couldn't be where we are today if it wasn't for you, so thank you for your ongoing support and for joining us on our dance journey.

I hope you had a great holiday break and were refreshed getting back into routine this term. We ended 2015 on a high after a successful and fun end of year concert- SUPERHEROS. We were so proud of our students, who really gave it their all and filled the theatre with energy and joy. It was our first ever dance/drama and it was fantastic having a storyline weaved throughout the night. A BIG THANK YOU to Jess Newman who was our talented script writer and director, and to our many actors who creatively brought the script alive. Not to mention the MANY other helpers and volunteers who helped make the night run smoothly. We are always looking for extra help, so if you feel inspired to help out in some way at or before the 2016 concert, please let Ashlee know ☺ We already have ideas flying around for this years end of year concert and are excited to announce we will be presenting another dance/drama production. SAVE THE DATE FOR THE 25th OF NOVEMBER at the Nautilus Theatre.

We also found out in the Summer school holidays that we are expecting a baby in July ☺ We have lots to look forward to! We can't wait to introduce you to our little one in term 3. Our first MTC dance baby, who will be dancing with us in no time ☺ Classes will resume as normal throughout the year, I have teachers all lined up and who are already teaching. You are welcome to drop in before a class and introduce yourself to them. I will be taking on more of a supervisory/ co-teaching role while on maternity leave. If you have any further questions or queries please don't hesitate to contact me.
